## Introduction

### Aims:

- Establish a clear policy on what to do during a bomb threat
- Ensure the calm and efficient evacuation or lock down of the school in case of a bomb threat.

### Policy Statement:

Bearing in mind that the most important criteria governing all decisions MUST be student safety, all staff members should take the following steps in preparation for bomb threats:

- Read and understand the procedures in this document and the Fire Drill Procedure and LockDown Procedure poster displayed in every room.
- Ensure that class registers are accurate and readily available
- Ensure that those you supervise are also aware of these procedures

### Types of threats

Threats may come in from different channels, with each requiring a different way in which to handle them. The following channels are further outlined in this document.

- E-mail
- Social media
- Telephone

### Bomb Threat procedures

#### Email

In case a threat comes in via email please take the following steps

1. Immediately contact the Principal or her replacement and provide the details of the email.
2. The Principal contacts the police.
3. Based on the advice of the police the principal can initiate and evacuation

or lockdown dependent on the situation.

4. Do not use mobile phones near the threat area as this might trigger an explosive to go off.
5. In case of an evacuation the main assembly point will be the safe haven. (the Principal directs all classes and members of staff onwards to the safe haven)
6. The attendance will be taken at the safe haven.
7. The Principal will report to the police when the lock down or evacuation is complete and awaits further instructions. Social media
